

RiverJet

RiverJet inkjet papers are designed for high speed web fed wide format inkjet applications. **RiverJet** is a dependable inkjet paper that blends superior printability with highly efficient runnability. It is an excellent option for a broad range of inkjet printing applications.

RiverJet inkjet papers' unique surface characteristics provide improved ink holdout on the surface of the sheet, producing vivid images and bold blacks. **RiverJet's** high-opacity, digital white shade and 94 brightness enhance contrast, color density, and "snap."

RiverJet is suitable for dye or pigment based machines.

Features

- White shade
- Alkaline/Acid-free for archival quality
- ISO 9001 and 14001 certified
