

FRP Enviro Offset

FRP Enviro Offset – A cost-effective alternative to Premium book publishing, like our Heritage Book, **FRP Enviro Offset** is renowned for its high opacity and consistent caliper. This uncoated freesheet product features some of the industry’s best surface characteristics while offering unmatched printability, runnability and durability. Available in 92 Bright White only, it comes in a variety of popular basis weight and caliper selections. It is ideally suited for pamphlet and booklet applications where caliper and print economy are equally important.

Features

- Alkaline/Acid-free for archival quality
- Premium bulk and feel
- Outstanding printing surface
- Meets ANSI specification for permanence
