

Torchglow (Colonial White)

Torchglow Opaque (Colonial White, 30% PCW) has been an industry renowned leading printing and writing grade for more than 40 years. Torchglow Opaque is designed to run smoothly on a broad range of large and small offset presses. It comes standard with 30% postconsumer waste, and features outstanding brightness and opacity. Torchglow Opaque is engineered with outstanding formation and surface specifications, and features a bright white sheet with superior contrast and printability. Additionally, it has exceptional press performance and runnability.

Features

- Alkaline/Acid-free for archival quality
- Premium bulk and feel
- Outstanding printing surface
- Meets ANSI specification for permanence
- Available with the following chain of custody certifications: SFI and FSC
- Contains 30% post-consumer waste
