

Flambeau River Papers is currently looking for a **Pulp Mill Supervisor** to assist in our Pulp Mill Process. This position is located in Park Falls, WI.

Experience, Qualifications & Attributes:

- Bachelor degree in Chemistry preferred, but not required
- Paper Production experience, required
- Pulp Mill experience is preferred, but not required.
- A willingness and ability to learn operational and mechanical functions of the sulfite process.
- Working knowledge of Microsoft Office (i.e. Excel, Word, PowerPoint, Access, Internet Explorer).
- Flexible, good with time management and prioritization, can work well under deadlines and pressure.
- Ability to work well with all employees, from hourly to upper management.
- Excellent communicator both written and verbally.

This position is responsible for all aspects of the Pulp Mill operations such as safety, environmental productivity, efficiency, quality, housekeeping, personnel, long term and short term planning, problem solving, maintenance planning, budgeting etc. Work is performed at times in an office environment: however a great amount of time will be spent on the plant floor with employees.

Candidate should be able to work well under pressure and be able to handle multiple tasks and priorities. Candidate should possess and exhibit strong leadership, written and oral communication skills and excellent time management skills. Candidate should be able to complete assignments with minimal direct supervision.

Park Falls, Wisconsin is a small community “Up North” where summers are very pleasant and winter sports opportunities abound. If you love hunting, fishing, skiing, snowmobiling, hiking, camping or any other activities in the great outdoors, Park Falls is the location for you. If you are interested in this excellent opportunity please email you resume and cover letter to clschienebeck@flambeauriverpapers.com.

Flambeau River Papers L.L.C. is an equal opportunity employer.
