

# FRP Envelope

**FRP Envelope** is a sturdy, high-quality, white paper available in wove or vellum finish designed to accommodate superior runnability. It enables seamless envelope printing and converting, even in high-speed environments. St. Croix Envelope has outstanding die-cutting characteristics, and is produced to fit most envelope applications.

## Features

- Alkaline/Acid-free for archival quality
- Laser and inkjet compatible
- Premium bulk and feel
- Outstanding printing surface
- Meets ANSI specifications for permanence
- Available with the following chain of custody certifications: SFI and FSC®
